Ferisin G., Dovana F. & Justo A. (2020) Erratum to: Fungal Systematics and Evolution: FUSE 5. – *Sydowia* 71: 285.

In the original article published online on December 23, 2019 (Song et al. 2019), a new species was described as *Pluteus cutefractus* Ferisin, Dovana & Justo, MycoBank no. MB 823569. The cited identifier was however issued for another name, *Pluteus bizioi* Ferisin, Dovana & Justo (Ferisin et al. 2019). The name *Pluteus cutefractus* is therefore invalid due to Art. F.5.1 of the Shenzhen Code (Turland et al. 2018). The species is validated here.
